

THIS FORTNIGHT IN PREP...

WELCOME BACK TO TERM 4!
WE HOPE YOU ALL HAD A
WONDERFUL HOLIDAY.

L e a r n i n g

F o c u s e s

MATHS- In Maths this fortnight, we have been focusing on Addition and number knowledge. We have practising our addition skills using different strategies such as; counting all, counting on, friends of 10 and part-part whole. We have also looked at recognising numbers and matching them to collections and numerals, and finding which number comes before, after and if they are odd or even.

READING- In Literacy, we have been focusing on Character development. We have looked at different characters from the books we have read and describe all the different features they have such as; likes, dislikes, what they look, sound, feel like and their personality.

WRITING- During writing, we have been focusing on Narratives. We have used lots of different stimulus to help us great fantastic stories. This term we have been focusing trying to remember to use our punctuation when we write and trying to include more interesting words. Our favourite stimulus to write about what they "Haunted house".

CODES- This fortnight, the students have been recapping all 70 codes in our Write to Read program. As a class, we have been identifying words that we know and what codes they are made up of. We have enjoyed playing Boggle, where we can identify as many words as we can.
